ACORN WIRELESS

Acorn Wireless is the wireless internet service provider division of the Hoopa Valley Public Utilities District (HVPUD), a chartered entity of the Hoopa Valley Tribe. We will offer reliable wireless internet services to the Hoopa Valley Indian Reservation.

Service Plans

Acorn Wireless will offer four (4) different plans as follows:

Plan Type	Speed (Download-Upload)	Data Cap (Per Month)	Price (Per Month)
Basic Residential	10Mb/s - 1Mb/s	1 TB	$40
Premium Residential	25Mb/s - 5Mb/s	1 TB	$75
Commercial	50Mb/s - 10Mb/s	2 TB	$200
Enterprise	100Mb/s - 25Mb/s	Unlimited	$1000

Installation Fee

Funding Type	Total	12 Month Cost	24 Month Cost
Out of Pocket*	$480	$40	$20
Entity/Department**	$750	-	-

* In an effort to enable access to our internet services, we have discounted out-of-pocket installation fees by not charging labor costs.

** Acorn Wireless is working with multiple groups to help offset installation fees and we are actively seeking funding to help provide these installations for our community.
